CIS has achieved one million units sales!

CIS started production of VCC series in 1991 and has achieved one million units sales in January, 2011, on the very 20th anniversary.

It's all because of the valued customers. We would like to take this opportunity to express our sincere appreciation for your continued business.

CIS will make every effort to achieve two million units sales in coming 10 years responding to various needs and demands of our customers and will endeavor to win the customers' satisfaction and confidence to the CIS brand.

The last, but not the least, the relationship with our customers is the cornerstone of our business, and your frank and forthright comments, suggestions, claims and requests all comprise an invaluable asset for us.

We look forward to hearing from you, and look forward to serving you and your business with our products.
